

Talentbank: Ireland's all-island CV database

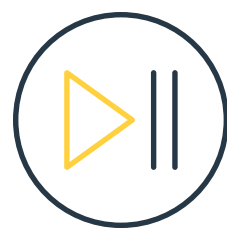

As soon as you post a job on our platform, our proprietary, intuitive **StepMATCH Technology™** sends you real-time recommendations pulled from over 1.4 million talented, qualified candidates.

Our technology helps you find the right person for the job, protecting your most valuable asset – your time.

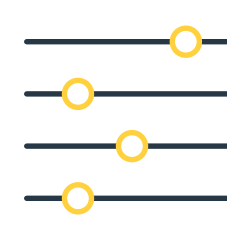

Match with the best

Every time you post a job, our technology recommends candidates whose skills match your needs. With 20 profiles available to you straightaway, select your talent and send an Invite To Apply request for free with TalentMail. Get instant access to their contact details and full CV by simply using a TalentBank credit.

Passive and active in one place

TalentBank's All-Island CV platform allows you to connect with candidates who are actively applying for roles, and passive candidates who may be open to offers when the right one comes along. So you can find the best people for the job, every time.

Powerful filtering tools

Identify your ideal candidate using TalentBank's filtering tools. There is a range of options available to help you refine your talent pool. Create your talent shortlist by filtering on skills, qualifications, location, previous employer and recent activity.

Personalise your searches

TalentBank remembers your searches and records any notes you make on candidate details.

No need to keep searching

You get alerts when new candidates matching your needs enter the system, which means you don't need to keep hitting refresh.
